Movie Review Company Logo

Search Reviews

1. To help narrow down the search results: the user can choose single or multiple options by clicking on the desired listing(s).
2. Clicking on "**+Show More,**" will expand the list of elements to choose from.

Movie Elements

1. The user can click the "play" button to view the movie's trailor.
2. The **Stars** show the overall rating for the movie, to show regional ratings the user must select that from the **Search Reviews** menu.
3. The **Select** button will take the user to the movie's detail page.

See All

1. The **See All** will take the user to a complete list of the related movies. *Example: See All Top Rated Movies: will take the user to a list of the top rated movies. The number of movies will be determined by client or web team.*
